Attachment

On March 15, 2018, at approximately 3:00 p.m., Border Patrol Agent (BPA) Julian Casares was conducting still watch operations when he observed multiple subjects south of the Rio Grande River carrying large bundles. BPA Casares then notified BPA Elde Garcia who had positioned himself near the Pharr, Texas, Port of Entry in his unmarked K9 vehicle. At approximately 3:28 p.m., BPA Garcia observed a black Ford F150 go south along the west side of the Pharr Port of Entry and continue west on the river levee. The truck then drove south of the levee on the main Vela Farm access road and followed the farm road which abuts the refuge along the west side of the Vela Farm fields until he reached the Rio Grande River.

At approximately 3:30 p.m., BPA Casares stated, via handheld radio, that he heard people loading bundles into a vehicle. BPA Mathew Gilmore was operating the RAID tower and stated that the black truck was already northbound towards the levee. BPA Garcia immediately drove south towards the suspect vehicle to intercept it. As the suspect vehicle approached BPA Garcia, it turned around and proceeded southbound towards the Rio Grande River. The suspect truck proceeded south towards the river when BPA Garcia observed the driver suddenly jump from the moving truck while wearing an orange safety vest. BPA Garcia followed the suspect (identified as Jose Luis RODRIGUEZ-Almeyda) and arrested him approximately seventy-five (75) yards west of his vehicle.

The suspect's truck had irrigation pipes on top of a plywood bed cover that concealed multiple bundles and additional bundles in the cab of the truck that field tested positive for marijuana. A total of thirty-six (36) bundles were recovered from the truck weighing approximately 238.72 kilograms. On March 15, 2018, TFO Gilberto Vazaldua and TFO Cosme Muniz responded to the Weslaco Border Patrol Station to interview RODRIGUEZ-Almeyda. RODRIGUEZ-Almeyda was advised of his Miranda Rights and waived those Rights. RODRIGUEZ-Almeyda admitted that he knew he was transporting marijuana and was going to be paid \$2,000 USC.
